

## Take advantage of the worldwide brokers' network!

unisonBrokers is an international network of more than **300 insurance brokers** in more **than 130 countries** and all significant regions worldwide.

The **unison** network currently services over **2,500 multinational accounts** generating a **premium volume** of about **\$ 12 bn** and employs approx. 9,000 people.

### What can unison do for me?

Our mission is to enable our members to continue their excellent service abroad. Our members provide a seamless and compliant service **across all borders**.

Through a central coordination, **unison** upholds high quality standards. The performance of our brokers is **regularly rated** and improved to maintain excellence.

Only those with **longstanding experience** and in-depth knowledge of their market get selected as members.

We will find a professional for any type of business or product. Brokers from all areas worldwide partner to develop the cover that you really need. Together we review the puzzle pieces of your insurance to see if they really fit together. Respecting the **local standards** and **compliance** rules and regulations, we detect possible duplicate insurance as well as gaps of cover. We harmonize your coverage and make the pieces match. We enable you to regain control over your business.

The local experts report in English on the insurance situation of your foreign business and reveal how you are insured and what might still need to be insured. A customized state-of-the-art **cloud solution** and an **app** let you globally monitor the coverage of your business wherever you are.
